Parent Volunteer Form

Volunteer Commitment. It takes the efforts of dozens and dozens of people to make a show like this a success. Our kids will put in a lot of time and work extremely hard over the next few months on this show and we all want to see them succeed. To help make that happen, there is an expectation that each family will fill five volunteer slots with at least two slots on show nights. We ask that parents of Freshmen, Sophomores, and Juniors take show slots on the final show night so senior parents can watch.

Please mark the volunteer areas where you can help. Please consider marking more than one area.
